

The City of Auburn is excited to announce the Walk in the Park Sponsorship Program. This program provides matching funds for prospective grants that will allow the city to complete Phase One of the Auburn Park Renovation Project, which will renovate the original foot path, which is in dire disrepair and install a new, ADA-compliant, ten-foot-wide all-access path! This new path will be the “main artery” connecting all the park’s ADA compliant amenities (such as the docks, playscape and the future all-ability outdoor gym) together seamlessly, allowing for foot traffic, bicycles, wheelchairs, walkers, strollers – and more!

All sponsorship dollars raised will be used to leverage state, local and federal grant funds to complete all phases of the Auburn Park Renovation Project.

PHASE I	PHASE II	PHASE 3
<ul style="list-style-type: none"> • 1+ mile long, 10-ft. wide ADA-compliant path • ADA-accessible grills • ADA-accessible dock • Beach area • Lighting/landscaping 	<ul style="list-style-type: none"> • All-access outdoor gym/senior playground • Tree planting • Pond lights/fountain 	<ul style="list-style-type: none"> • Outdoor fireplace/gathering area
\$290,000 INVESTMENT	\$100,000 INVESTMENT	\$15,000 INVESTMENT
